FARMERS LOVE THEIR COWS!!!

Lots of food to eat

**1.2 MILLION
COWS IN
WI!!**

That's more
than the
number of
kids that go to
school from
Kindergarten-
12th Grade.

Back Scratching Machine

Calf

Cows
get to
pretend
they go
to the
beach!

Compare and Contrast

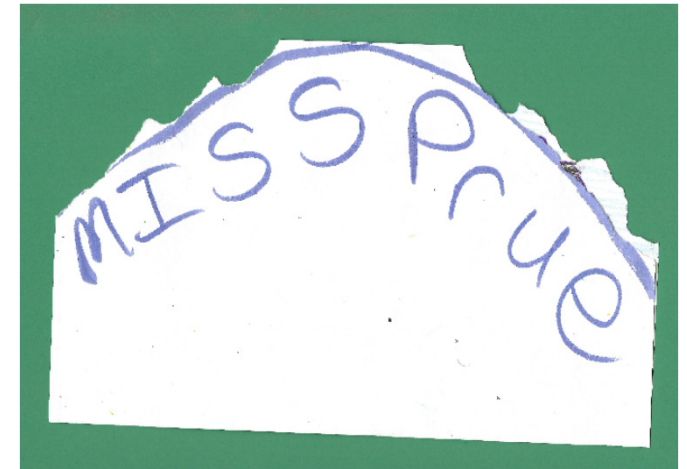

Aspirin

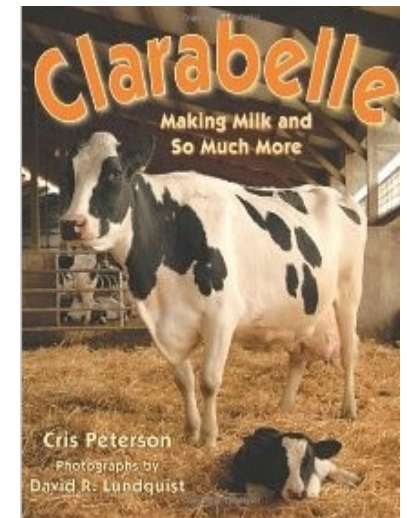

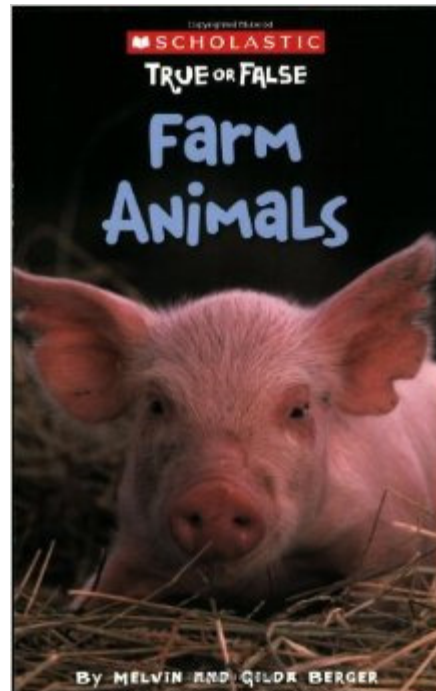

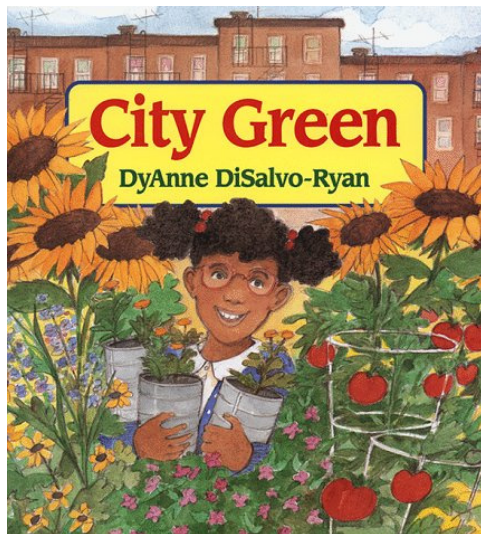

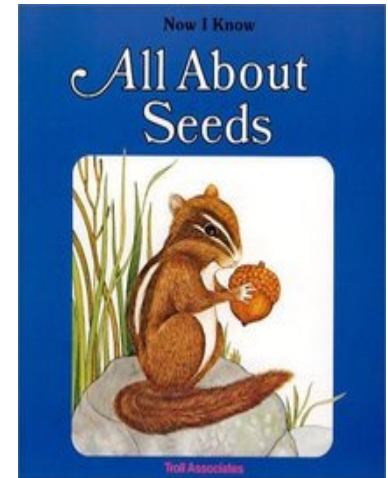

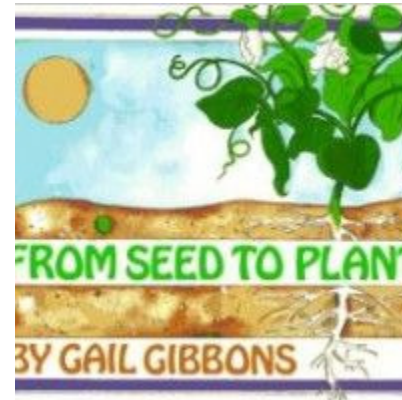

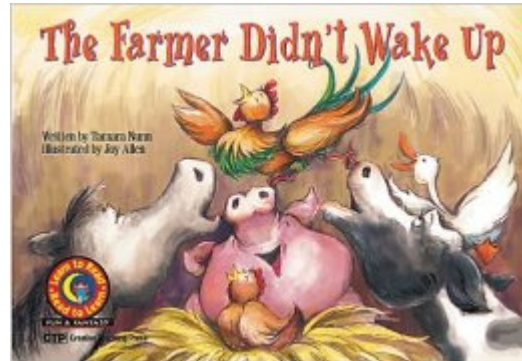

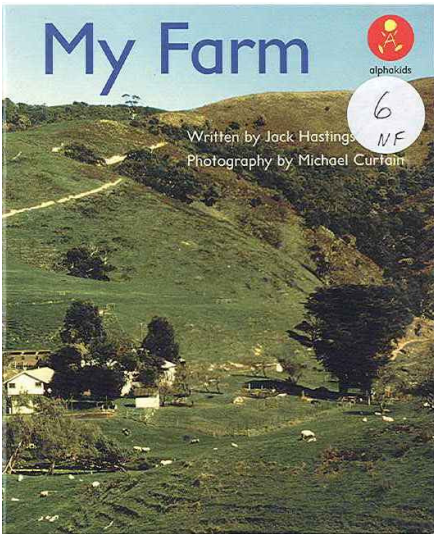

Name Garden/Farm

- Kindergarten-6th Grade
- Draw and color different items, fruits, vegetables, equipment, and/or animals they could see on a farm.
- Kindergarten-2nd grade
 - You will need to write their names on both sides and draw a line
- 3rd-6th
 - grade pretty independent
- 4th-6th Grade
 - Have students use a ruler and measure the perimeter of their garden/farm.
 - Practice scaling 1in. = 2 miles 3cm = 1 mile
 - Practice estimating rounding to the nearest centimeter or inch
 - Where in Wisconsin would you have your farm? Thinking about Location

- Carton of White Milk **12g**

NATURAL SUGAR

Moo Cow Song and Dance

- [Moo Cow Song and Dance](#)

Moo Cow Song

Chorus (x2)

What cha know about this brand new style
It's a brand new dance called the Moo Cow
Hands out like this then dip down
You know what to do now
Do the Moo Cow - Moo Moo
Do the Moo Cow - Moo Moo
Do the Moo Cow

Verse 1 (x2)

If you wanna be strong and you want to be built
With strong bones and muscles drink milk
If you wanna be strong and you want to be filled
To the brim with energy ya need milk

Verse 2 (x2)

It'll give you the energy and power to play
Milk or some dairy
3 times a day
Milk or some dairy
3 times a day
Milk or some dairy
3 times a day

Verse 3

Check it out now it's our friend the cow
And the milk she produces makes us go WOW!
This is just what we need to be and do well
So just chill for a minute
Listen for the cowbell
