Crunch "Did you hear that
that's the bite of an juicy
apple that was grown on
an apple orchard?"

4
Have you ever had a cup
of apple juice or apple cider.
It's a really cool process.
Apple juice is made

2
The students in Mrs. Jeffers
class went to Hill's Orchard.
While ^{they were} there they have
a riddle to solve. The riddle is
Find a house with no windows and
no doors but with a star inside.

5 Did you know they can
make doughnuts out
of apples! ~~Emm~~ that
must be good.

apple doughnut

3 The kids were ready to
solve the riddle but also
puzzled because it
wasn't long enough to be
a riddle.

? ? ? ?

6 There are 5 seeds in
a apple, 1 stem, and sometimes
a leaf it depends on how
you pick it.

Diagram of apple

7 Do you know how to pick
an apple all you have to
do is grab the apple then
twist it till it comes off the
tree branch.

8 You don't want to pick
apples off the ground because
worms or other animals
could be in it.
