WHAT IS A KAHOOT?

- A Kahoot is a collection of questions on specific topics that anyone can use to challenge or test their knowledge. They are created by teachers, students, business-people and social users. The game is played in real-time, to an unlimited number of “players,” creating a social, fun and game-like learning environment.
Let’s try a Kahoot ....

• Here's a link for you to do the kahoot with others! [https://create.kahoot.it/share/naitc-2019-kahoot/2077d3ec-6616-4fd0-b05c-c38bcd15d158](https://create.kahoot.it/share/naitc-2019-kahoot/2077d3ec-6616-4fd0-b05c-c38bcd15d158)
