## Overall Conference Evaluation:

All conference registrants will receive an email after the conference with a link to an online evaluation form. Please take the time to complete an evaluation of the overall conference, which includes the location, lodging, meals, meeting space, keynote speakers and other conference-related matters. All complete evaluations will be placed in a drawing to receive a free registration to the 2020 National Agriculture in the Classroom Conference 'Agriculture Elevated' scheduled for June 23-26 in Salt Lake City, UT.

Your feedback is valuable to the speakers, and National Agriculture in the Classroom organizers, and committees.
